Shaheed Mohtarma Benazir Bhutto

Former Prime Minister of Pakistan,
Founding Chancellor, SZABIST

I well recall the meeting at Bilawal House when Mr. Shaikh proposed opening this institute at the SZABIST Board Meeting.

January 9, 1996.

I am delighted to inaugurate the ZABIST institute for BBA and MBA classes.

Until today such classes were only available in Karachi, Lahore and Rawalpindi.

For the first time such an institute has been opened in a rural area of Pakistan giving students with a rural background an opportunity to study Business management.

I well recall the meeting at Bilawal House when Mr. Shaikh proposed opening this institute at the SZABIST Board meeting.

Today this dream has come true due to the hard work of the SZABIST Board and other well-wishers. I hope the students will give due attention to their studies and achieve success.

Benazir Bhutto
Prime Minister
Islamic Republic of Pakistan.

Bakhtawar Bhutto Zardari
Chairperson
Member Board of Trustees

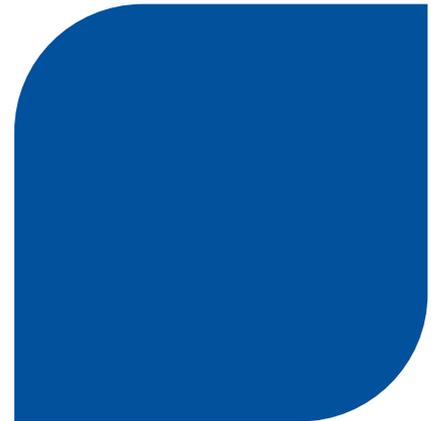

When my mother sowed the seed of SZABIST, she envisioned it as an institute that would allow its students a safe haven to grow and develop into the best versions of themselves. For three decades, Dr. Suleman Shaikh has nurtured that seed with an unparalleled commitment. His unwavering loyalty to SZABIST and its students has turned that seed into one of Pakistans finest institutions. And for that we will forever be grateful.

Dr. Azra Fazal Pechuho
Chancellor,
SZABIST

Dr. Suleman Shaikh has been an incredible asset for SZABIST. His dedicated and selfless devotion to this great institute has been instrumental in making SZABIST a premier education entity.

The management of SZABIST and I as Chancellor truly appreciate Dr. Shaikh's contribution. May he continue to be a part of our institute for many more years to come. All my best wishes for him.

Mr. Aftab Shahban Mirani
Vice Chairman, Board of Trustees,
SZABIST

I have known Dr. Suleman Shaikh since he joined the Shaheed Zulfikar Ali Bhutto Trust as its Secretary and have always admired his devotion in building up SZABIST, ZABTech, ZABed and Arid Agriculture Research Integrated Farm. Never did I hear any complaint against him, during these long 30 years that he has been with us. He is a gentleman to the core, a man of letters and a very conscientious worker. Any organization would be proud to have him as its main officer.

Our good wishes are with him for his health and long life.

Mr. Abdul Razak Soomro
Member Board of Trustees,
SZABIST

Recognition of 30 years of association and services of Dr. Suleman Shaikh by SZABIST is a commendable idea and celebrating the occasion in a befitting manner is a laudable action. Before being admitted to Board of Trustees of SZABIST in the year 1992.

Shaikh Sahib served as very important honorary member or director of many organizations. Poverty Alleviation has been focus of community activities.

His contribution in field of Education is memorable. Before establishment of SZABIST, on 2nd January 1996 Prime Minister of Pakistan Mohtarma Benazir Bhutto inaugurated Shaheed Zulfikar Ali Bhutto Institute of Management at Larkana. She wrote down in her remarks on that occasion that the idea of founding the institute was given by Dr. Suleman Shaikh. I have worked with Dr. Sahib as member Board of Trustees SZABIST from 1997 to this day that is about 25 years.

The present Larkana Campus building was approved by the Board of Trustees presided over by Mohtarma Benazir Bhutto Sahiba in the year 2001 and the work was completed in 2004. I was one of the members of construction committee along with Dr. Suleman Shaikh. The building is a prestigious structure by any standard. During the construction work Dr. Shaikh took personal interest and visited the site very often from Karachi. My assessment of Dr. Suleman Shaikh is that he is Honest, Sincere, Efficient, Hardworking kindhearted gentleman. Paragon of duty in one word asset for the organization. He was a good name in medical profession and no less in literary field.

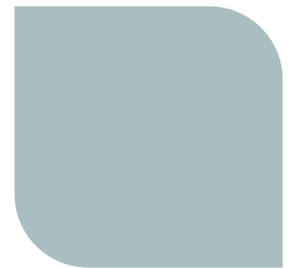

Mr. Khurshed A. Junejo

He is a source of strength to all of us, his loyalty remains unmatched and his devotion to the cause, unparalleled. Loyal, compassionate, and committed, Dr. Shaikh is the very bedrock of SZABIST. He has been the guiding light at the institution, ensuring SZABIST and its students evolve and grow. May he continue to show us the way in the decades to come.

Dr. Nafisa Shah

Dr. Suleman Sheikh is like a foundation to SZABIST. The man who pioneered #SindhGraduatesAssociation was spotted by Shaheed Benazir Bhutto, and since then there was no turning back for him or for SZABIST. He stood his ground all these years and played a central role in building an institution just as Shaheed Benazir would have wanted. It would be a befitting tribute to him to name a SZABIST building, a library or even a campus after him.
